Promotional Criteria

The PU2 promotional examination results will be released on 24 October 2018 (Wednesday). We would like to remind all parents of the promotional criteria to PU3. A student must obtain at least two H2 passes for the final report. To pass a subject, a student must obtain at least an E grade ($\geq 45\%$).

Students can repeat the same level only once, *subject to good conduct*. Promotion is strictly based on merit and no appeal will be entertained.

Safety matters

a. Drop off points in the school

For your convenience, we have two drop off points in the school. Drop off point 1, is near the traffic island. If you intend to head towards the PIE after dropping off your child, please use this first drop off point, so that you do not need to take a roundabout route to head out via the main gate. Please exercise caution, when turning right at the first drop off point, as there will be vehicles driving in towards the second drop off point.

If you are heading towards Bukit Batok Central, please use the second drop off point, which is near the office lobby, and directly opposite the stadium stands. Both drop off points have been clearly labelled with signage. Please refer to the attached diagram, on the next page for further details.

Could I also appeal to you to not use the red season parking lots to drop your children off, as these are meant for staff, who will be coming to school at about the same time as yourselves, and doing so can cause a traffic situation.

DROP OFF POINTS FOR MILLENNIA INSTITUTE

b. Exiting the school via the main gate

Due to the increase in the number of residents in the area, there has been an increase in the pedestrian footfall across the main gate, en route to the bus stop adjacent to the school. Please exit the gate with caution, making use of the safety mirrors we have installed to guide you. The security guard on duty will also assist in looking out for pedestrians.

c. Picking up students after school

When coming to pick up your children, if there is a possibility that it will take some time before you exit the premises, please let the guards know and they will issue you with a temporary parking label, that you can leave on your dashboard after you have parked your vehicle. You can then wait for your children at the stadium or at the café. Note that your car must have the MI car decal, otherwise you will have to get a visitor pass to get admission into the school.
